Dear Mr. Czyl:

Re: Non-renewal Notification, Northern Trust Company - ILOC \_\_\_\_\_, USG Corporation, Jumbo-Jensen Quarry, M/041/008, Sevier County, Utah

The Division recently received a registered letter from The Northern Trust Company indicating their decision not to renew or extend the expiration date of USG Corporation's Irrevocable Letter of Credit # \_\_\_\_\_. As you know, the \$216,700 ILOC is scheduled to expire on December 31, 1992.

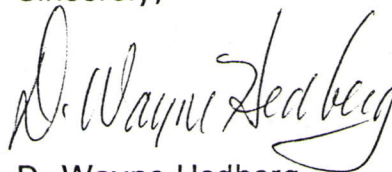

By previous letters dated February 13 and March 3, 1992, the Division notified you of our tentative plans to schedule an onsite inspection of the Jumbo-Jensen Quarry to evaluate the accuracy of the existing reclamation surety amount. To date, we have not been able to perform this inspection due to permitting backlogs. The current surety is calculated in 1993 dollars and will need to be reevaluated and escalated to 1998 dollars before the 1993 year ends.

In any event, the existing ILOC will need to be extended or a replacement surety provided to this Division ***no later than December 1, 1992***. Should USG Corporation fail to meet this timeframe, the Division will be forced to draw upon the ILOC for the full amount before its scheduled expiration date. State law prohibits this Division from allowing a large mining operation to operate without having adequate reclamation surety in effect.
